

## **PLAY EQUIPMENT RULES**

- Don't go down head first on anything and don't hang upside down by your knees or legs.
- Only use equipment you can reach. Don't lift up children onto equipment.
- Don't use equipment that is too high for you. You have to be able to reach the monkey bars from the lowest step.
- Don't jump off.
- Only one person on the ladder at a time.
- Leave your shoes on.
- Don't make holes in the surface under the equipment.
- On Mufti Days, you must have shoes with covered toes or you can't go on equipment.
- Don't climb up on top of the equipment.
- Don't play underneath children on equipment. Don't pull or push other children.
- No food to be taken into the area.
- Only use the equipment if a teacher is there on duty and says you can use it.
- Out of school hours, you can only use it if your own parent is right there.
