CANTEEN DELIVERY SERVICE

To all Parents, Teachers and Students,

We would like to introduce ourselves and give a brief overview of our services, philosophy and approach towards food that we supply to your school.

Botany Bites Catering has had a long history providing excellence within the school canteen sector. We are passionate about food and providing great tasting meals to your school. We have a fresh food philosophy and use real ingredients to cook real food, which is cooked, prepared and packed fresh daily. We come from a background in chefing and so for us, providing quality food is a very important aspect of our business, second only to providing an outstanding service to the community.

We are looking forward to servicing your school this year. You can order online by creating an account with Flexischools. Visit www.flexischools.com.au to sign up. Alternatively, you can download the Flexischools app to create your account. We do also send communications through the app so we recommend that you download it onto your phone.

If you need to cancel your order, please call us on PH: (02) 96661799. If you have any queries regarding our food or service or if you have any suggestions or special dietary requirements, please email us at admin@botanybites.com.au and we will be happy to assist you in any way that we can.

We hope that you enjoy the food that you order from us as much as we have enjoyed creating and making it for you.

Kind regards,

The Botany Bites Team.
