Please note that in 2013, the first opening of the Uniform Shop will be at 2.45pm on Wednesday, 1<sup>st</sup> Feb. Our volunteers are not able to open it before school on the first day. Please ensure that uniform needs for the first day are obtained this week.

## CANTEEN NEWS

Another **HUGE THANK YOU** to our canteen volunteers **especially** to Jason.

Due to a little confusion over canteen rostering Jason was left to run a busy Friday on his own. The wonderful Amanda stepped up to help him out in the morning until recess then Jason's lovely wife Lesley came to assist for an hour and then Jason's lovely sister-in-law came in to help save the day too. Due to Jason's resourcefulness the day ran smoothly. Thank you Jason for going above the call of duty to ensure the kids received their lunches.

Wed 5th – Monica

Fri 7th - Amanda, Jason, Lesley

**Special Note to parents:** Due to swimming lessons for Years 2 & 3 please remember to put **SWIMMING** on your **lunch orders** to ensure your lunch is ready for early pick up from the canteen.

**Canteen Closed:** On Speech Day, **Wednesday 12<sup>th</sup> December**, the canteen will not be opening.

**Final Note:** Due to the end of year, we are trying to run down stock levels in the canteen so don't be too disappointed if your favourite food/drink/ice-cream item is not available. Thank you, Canteen Committee

### PICNIC DAY K-Year 6

On Tuesday, 18<sup>th</sup> December, parents are invited to join their children for a picnic lunch in the playground, from 12.30 to 2.00pm. "Bring a plate", co-ordinated by the class teacher.

### FIRE BRIGADE VISIT

This Thursday, Kindergarten and Year One are very lucky as the local fire brigade is coming to our school to educate the students on fire safety. As the students will be outside for quite a while, we encourage you to put sunscreen on your child in the morning and check they have a hat.

### ORDERING SCHOOL MAGAZINE

Attached to this newsletter is a subscription form for "The School Magazine". This is a great reading resource which parents/grandparents may wish to give as a gift. During 2013, a magazine will be sent monthly for 10 months. There is an age guide to assist judging the appropriate level. If you are interested, please send subscription form directly to the supplier.

### ANAPHYLAXIS

The Department of Education and Communities has recently announced that all government schools will receive a general use adrenaline autoinjector (an EpiPen) for their first aid kit.

This does not replace the need for parents to continue to provide the school with an adrenaline autoinjector and ASCIA Action Plan for Anaphylaxis signed and dated by their doctor when their child has been diagnosed with anaphylaxis. Instead the general use adrenaline autoinjector is intended to be used if:

- An undiagnosed student has an anaphylactic reaction at school;
- There is a misfire of the adrenaline autoinjector that has been prescribed for a student; or
- A student requires further adrenaline autoinjector to be administered after his or her own adrenaline autoinjector has been administered.

Please contact the school if you would like further information in relation to this matter
