PAGEFEST – FRIDAY 9 NOVEMBER

Pagefest is Pagewood Public School's short film festival. It will be held on Friday 9 November (Term 4 Week 4) in the school hall. The films are made by the students and teachers covering themes of wellbeing at our school. The making of the films have involved learning to use technology to make an edit films, learning to plan the filming of scenes, the development of narrative writing and team work.

To cater for the large number of community members attending, the short films will be shown twice in identical sessions on Friday 9 November. Session 1 runs from 5.30pm-7.00pm and Session 2 runs from 7.15pm-8.45pm. There will be no awards, just the joy of watching films made by the students and teachers at Pagewood Public School. The P&C will be selling food and drinks. The children and adults should dress up as 'film stars'.

You must book seats to come to either of the sessions as seats will be limited. Each seat is \$5 per person (adults and students). The students must buy tickets to attend and must be accompanied by an adult. Please go to the link below to buy tickets. Tickets can only be purchased online and cannot be purchased through the school. All proceeds go to the P&C.

STATEMENT OF ACCOUNT - ADDITIONAL COSTS

This year there have been some additional costs from previous years. It is important to me that parents understand the reason for any increases in costs and to give as much notice as I can of foreseeable costs. In the last week of each term, I will outline all foreseeable costs for the following term in the newsletter. The intention has been to keep costs the same as 2017. However, due to rising costs and some additional programs being introduced by the school, parents have reported to me that costs are higher costs than last year. The additional costs are:

- Excursions – mainly due to rising supplier and bus costs
- Languages – Mandarin and French costs have risen by \$20 per year, from \$60 per year in 2017 to \$80 per year in 2018 (or \$20 per term). The language programs are in addition to funding supplied by the department. The \$80 that parents are asked to pay is only half of the cost of the language programs provided and the other half is paid by the school.
- Addition of 'Mathletics' (\$20 per year) and 'Reading Eggs' (\$20 per year) programs
- Band – band costs have risen from \$400 to \$600 per year due to a change in supplier to Directions in Music which offers specialist instrumental instructors.

If these higher costs are of concern to you, please do not hesitate to contact me in confidence.

WRITING

Writing continues to be a focus across the whole school. An important part of teaching all children to write is planning the words or vocabulary they may find useful in their writing. This term we are using pictures as a writing stimulus. Please click on the link below to see the image used for writing in last week.

WELLBEING - LUNCHTIME ACTIVITIES

Some children like quiet spaces to spend their lunch, while others find the playground an overwhelming experience. There are activities for every child during the lunch break every day except Friday. For Term 3, the following activities are on offer. These activities will change next term.

PAGEWOOD'S PROBLEM SOLVER

If your child would like to participate in this week's Pagewood's Problem Solver, please have your child write their answer on a piece of paper with their name and class, and hand this to Mr Tan by Friday. All solutions are welcome and parents are allowed to help. The important thing is to have a go!

Last week's task: **Write A – Z down the left hand side of a page. Write a holiday activity you did for each letter of the alphabet.**

Well done to Eva.

**THIS WEEK'S TASK: What is the most useful skill or knowledge you have learnt at school this year?
(Please discuss your answer with your parents and your teacher).**

Intention to apply for Year 7 entry to a selective high school in 2020

Dear Parent/Carer

Selective high schools cater for high achieving academically gifted students who may otherwise be without sufficient classmates at their own academic and social level. These schools help gifted and talented students to learn by grouping them with other gifted and talented students, teaching them in specialised ways and providing educational materials at the appropriate level.

Applications for selective high school placement are considered mainly on the basis of the Selective High School Placement Test results and school assessment scores. The Selective High School Placement Test will be held on **Thursday 14 March 2019**.

If you would like to have your child considered for Year 7 selective high school entry in 2020, you need to apply on the internet using a valid email address (not the student's email address).

Detailed instructions on how to apply online will be available from mid-September 2018 at <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>. The application website opens at that link on **9 October 2018** and closes on **12 November 2018**. **You must apply before the closing date.**

There are no paper application forms. If you do not have internet access, you could apply at a public library. If you have a disability that prevents you from using a computer, you can contact the Unit for assistance after 9 October 2018.

You must submit only **ONE** application for each student.
