### PAGEFEST – FRIDAY 9 NOVEMBER (ONLY 4 DAYS TO GO)

Pagefest is Pagewood Public School's short film festival. It will be held this Friday 9 November in the school hall. The films are made by the students and teachers covering themes of wellbeing at our school. The making of the films have involved learning to use technology to make an edit films, learning to plan the filming of scenes, the development of narrative writing and team work.

To cater for the large number of community members attending, the short films will be shown twice in identical sessions on Friday 9 November. Session 1 runs from 5.30pm-7.00pm and Session 2 runs from 7.15pm-8.45pm. There will be no awards, just the joy of watching films made by the students and teachers at Pagewood Public School. The P&C will be selling food and drinks. The children and adults should dress up as 'film stars'.

**You must book seats to come to either of the sessions as seats will be limited.** Each seat is \$5 per person (adults and students). **The students must buy tickets to attend and must be accompanied by an adult.** Please go to the link below to buy tickets. ## PAGEWOOD'S PROBLEM SOLVER

If your child would like to participate in this week's Pagewood's Problem Solver, please have your child write their answer on a piece of paper with their name and class, and hand this to Mr Tan by Friday. All solutions are welcome and parents are allowed to help. The important thing is to have a go!

Last week's task Anagrams are words where the letters are out of order. For each of the set of letters below, unjumble the letters to find five names: Phosie – Sophie, Ylmei – Emily, Nonieb – Bonnie, Rasah – Sarah, Zesanh – Shanze. The names of our Year 5 debating team. Well done to Isaac, Eva and Chacha (and the week before too!)

**THIS WEEK'S TASK: What is the history of the croissant? (Answers from Wikipedia will not be accepted).**

## Intention to apply for Year 7 entry to a selective high school in 2020

Dear Parent/Carer

Selective high schools cater for high achieving academically gifted students who may otherwise be without sufficient classmates at their own academic and social level. These schools help gifted and talented students to learn by grouping them with other gifted and talented students, teaching them in specialised ways and providing educational materials at the appropriate level.

Applications for selective high school placement are considered mainly on the basis of the Selective High School Placement Test results and school assessment scores. The Selective High School Placement Test will be held on **Thursday 14 March 2019**.

If you would like to have your child considered for Year 7 selective high school entry in 2020, you need to apply on the internet using a valid email address (not the student's email address).

Detailed instructions on how to apply online will be available from mid-September 2018 at <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>. The application website opens at that link on **9 October 2018** and closes on **12 November 2018**. **You must apply before the closing date.**

There are no paper application forms. If you do not have internet access, you could apply at a public library. If you have a disability that prevents you from using a computer, you can contact the Unit for assistance after 9 October 2018.

You must submit only **ONE** application for each student.
