## PRINCIPAL'S NEWS

Congratulations to Jacob and Ava, our 2020 Captains, who were announced last week.

This is the last newsletter for 2019. I would like to thank all families in the Pagewood community for their contributions to a wonderful year. I would also like to thank our amazing, talented and dedicated teaching and support staff at Pagewood. They all work so hard to ensure the best learning opportunities for our students!

One of our wonderful parents, Nicky, has won an incredible prize for our school. She entered an OMO Competition and has won \$20 000 for us. The prize money is to be spent on an outdoor classroom learning space. How convenient that 3C had recently pitched an idea to me

to enhance the spaces on the balcony area outside their classroom and the adjoining rooms. We will look into this in 2020. Thank you Nicky!

The school also applied for a grant from Orica with the help of parent Sharon, and Miss Grisanti. The school was awarded \$4600 for STEM (Science, Technology, Engineering and Mathematics) equipment. The school has purchased a Dot and Dash

classroom pack which consists of 10 sets of equipment which teaches students how to analyse problems and design algorithms to program robot actions and develop their design thinking skills. How wonderful!

There have been many highlights this year but a favourite of mine was the Market Carnival. It was wonderful to see our community working together to benefit our students. Our school learning environment is enhanced enormously by the generosity of a hard working group of parents who volunteer as members of the P&C. We thank you for your amazing contribution to our school. Have a lovely break everyone.

Nicole Mayhew  
Principal

## FAREWELL YEAR 6

Year 6 deserve special mention as they have contributed to our community in many ways. We wish them all the best as they embark on their next learning journey and know that they will make significant contributions to their high schools. Thank you to Year 6 for their generous donation to our school with a voucher for Flower Power which will be well spent.

There are a number of families who will be leaving Pagewood at the conclusion of the school year. We thank them for their support and wish the departing students and their families well for 2020.

### PRESENTATION DAY

I would like to congratulate all of our award winners for 2019. I would also like to thank the executive team, very capably led by Mrs McLean for their extensive organisation before the day and on the actual morning. It was great to see parents in the audience. There was positive feedback about the two ceremonies which was a first for our school.

### PICNIC DAY

The school held an end of year picnic from 12:30pm today. Each child was asked to bring a plate of food to share with the other members of their class. Children brought in picnic rugs and dined on little sandwiches, muffins, vegetable sticks and fruit with parents and carers. It was a great way to finish off the year.

### TEXTBOOK PACKS FOR 2020

Textbook packs for 2020 are available to purchase online now **through LJ Harper website** until 30 January 2020. Can parents please ensure that payment is made **direct through LJ Harper website**. Please include your child's full name and please **DO NOT pay via our school payment system**. Alternatively, after 30 January book packs will be available to purchase at school on textbook day in week 2. If you are paying by cash, please return the completed textbook order form and the correct amount as no change will be given. Please see the document attached in the newsletter with prices for each year group.

### “BUST THE DUST”

The SRC decided to join the “Bust the Dust” initiative in an effort in which students and staff simultaneously ‘rain-dance’ in a community effort to promote kind thoughts towards the end of the drought and respect for those stricken areas. It was a huge success at our school and many children participated in this event.

### PSSA 2020 TRIALS – AFL ONLY

There will be one more trial early next year for AFL.

### UNIFORM SHOP

The uniform shop will reopen on the first day back to school on Wednesday 29 January 2020 and will open fortnightly after that on Thursday 13 February onwards with orders being filled in between those dates. A big thank you to our lovely parent volunteers Kim Hescott and Monica Morrison for their huge commitment in looking after our uniform shop and our families. We cannot thank you enough for your time and commitment!

## TERM 1 2020 SCHOOL COSTS

It is important for families to be able to prepare for the costs of back to school. Initial costs for Term 1 are included in this newsletter. These include access to online programs for the entire year as well as some costs for Term 1 only. From 2020 we will include the costs for the following term in the Week 10 newsletter. We hope this will help families.

Please **DO NOT PAY 2020 COSTS** over the holidays. These costs will be set up in Term 1 of 2020 and included in your Term 1 Statement of Account at which time you can then pay online. Please note Band payments will be paid directly to Directions in Music from 2020 onwards.

## **PPS P&C (Parents and Citizens) News**

### **End of 2019 Thankyou from P&C**

In the last newsletter for the year, the P&C would again like to thank everyone that generously gave their time this year to support our P&C activities.

We are looking forward to another great year in 2020 of supporting the students of Pagewood Public School.

First P&C meeting for 2020 is 4<sup>th</sup> February in the School Library. All welcome.

### **Reminder of P&C sale of ex-hire band instruments.**

Pagewood Public School will no longer be supplying instruments for students to hire. Current and Future members of the band will need to hire through an external source or buy their own instruments.

### **The auction site for school instruments will remain open until midnight Monday 16<sup>th</sup> December 2019**

<https://airauctioneer.com/pps-musical-instruments-silent-auction>

**Act now if you want to secure your instrument before the Christmas break.** More details on band instrument options overleaf.

## 2020 Band students and parents please review your options for an instrument for 2020:

### Buying an ex-hire instrument from the P&C through the silent auction platform:

The P&C purchased a large number of instruments, some as far back as 1994, some more recently in 2011. The condition of instruments cannot be guaranteed. They have been in constant use for a minimum of 8 years and so all purchases are at the buyers' own risk. Prices reflect the age of the instruments and are very competitive. Ongoing servicing and maintenance of these instruments will be the responsibility of their new owner (not the school).

Renting an instrument from Directions in Music: In general this will be a brand new instrument at the start of the year. Cost is \$44 per month. Deposit of \$150 for most instruments, \$250 for saxophones. As new instruments they are covered by a manufacturer's warranty but damage to the instrument is at the renter's expense.

Rent to buy an instrument from Directions in Music: Renting an instrument as above with the option of putting the deposit and first term's rental towards the cost of the instrument should your child choose to continue.

Buying an instrument from Directions in Music: The instruments that 2019 band students have been hiring from Directions in Music may be available for purchase from Directions in Music. If you have been hiring a Directions in Music instrument this year and would like to buy it, or if you would like to purchase one of their ex-rental instruments please contact the DIM office on 9662 2211 for pricing.

**Medical information form 2020 – Swimming Carnival at Botany Pool**

The information provided on this Medical information Form is being obtained for the purpose of ascertaining relevant medical information, requirements and other health care related needs of the student who is currently enrolled at the school and who may participate in school excursions, sporting activities or other educational or school activities conducted by or in conjunction with Pagewood Public School.

It will be used by officers of the NSW Department of Education and Training to assist planning, to support students, and to minimise risks when conducting school excursions, sporting or other school activities.

Other persons or agencies that may be provided with this information include, but are not limited to, volunteers and members of external organisations who join with the school or are otherwise involved in the planning or delivery of the excursion, sporting or other school activity; and persons that may be called upon to provide health care treatment or other assistance during or as a consequence of such excursions or activities.

Provision of this information is not required by law. However, a failure to provide the information may mean that your child can not participate in a particular excursion or school activity. In such circumstances the school will make available a sound alternative educational experience.

Provision of this information will significantly assist the school in planning a safer educational activity. It will be stored securely. If you have any concerns about provision of this information, please contact the school principal to discuss further.

You may correct any personal information provided at any time by contacting the school office.

### ADVICE

The Pagewood Public School Swimming Carnival will involve the following aquatic activities:

- Structured: students participating in swimming races
- Unstructured: students participating in an allocated free swim period

The school will provide the students with coloured wrist bands that indicate if your child is:

- proficient swimmer (blue) [able to swim 50m without assistance]
- non-proficient swimmer (yellow) [able to swim 25m without assistance]
- unable to swim 25m without assistance [but is allowed to enter the pool and remain in shallow water] (red)
- not allowed to enter the pool (green)

Prior to participation all students nominated on this form by their parent/caregiver as a proficient swimmer will be required to participate in an aquatic pre-activity Water Survival Challenge to look at your child's aquatic proficiency.

The aquatic pre-activity **Water Survival Challenge** comprises the following continuous progression – a slide in entry, a walk of 5m in shallow end of pool, a swim of 25 metres using a recognised stroke and 1 minute float, scull or tread water in deep water followed by an unassisted exit.

In the interest of the children's safety, children graded by parents as proficient may not be issued with a blue wrist band if they are unable to complete the water proficiency assessment at the required standard. Students nominated by their parent/caregiver on this form as non-proficient or unable to swim 25m will not be allowed in deep water and will not have to do the water survival challenge.

Any student who is not permitted to go in the water or is not able to walk safely in the water with balance and stability will not take part in any water activities.

All activities will take place at: Botany Aquatic Centre on Thursday, February 6<sup>th</sup> 2020
