PRINCIPAL'S NEWS

This is our final newsletter for 2020 as we wrap up a very unusual, challenging and busy year. Covid-19 placed new and difficult restrictions upon our school community which brought challenges for our students, teaching staff, parents and carers. I have been very grateful to our amazing teaching staff who have worked tirelessly to ensure our students were well supported in their online learning through the initial stages of COVID-19 and later on throughout the ever-changing environment here at school. Our students have had a challenging year and missed a few activities at school due to COVID-19 but I would like to focus on what they have gained.

Year 6 had a wonderful Fun Day last week. What a wonderful way to end your primary school years with a jumping castle and throwing water on the principal! Year 6 have also been working with Lani on an art installation for the new toilet block, facing the playground space. They have painted an image of themselves using cartooning techniques onto paintbrushes. It is going to look amazing.

This week we also farewell Assistant Principal Mrs Sutherland who is moving to a school closer to home. She has been an invaluable member of the executive team who we will miss. We wish her all the best for the future.

Our students have learned invaluable life lessons about change and how to cope with their ever-changing world. These changes have forced students to rethink their learning strategies and how to do things differently when working online. They have learned to plan their work out when working online, to focus and 'get on with it' to get the work done. It was a stressful year for our students but all of these changes have contributed to their resilience and given them other skills they might not have otherwise learned. The upside was that we all had more time with our families.

This will be a year that we all look back on and know that we coped with the challenges facing us and adapted to the difficult changes enforced upon us. I would also like to thank our parents and carers for their support during online learning and ongoing co-operation with the unusual restrictions placed on our school community. I have said it before but this year more than any other time, we are extremely lucky to have such a supportive school community at Pagewood PS.

This Wednesday we will farewell our Year 6 students who are finishing their primary school years at Pagewood PS. We are very proud of our Year 6 students and will miss them but we know that whatever they choose to do in life they will strive to do to the best of their ability as is the Pagewood way. All of the teaching and office staff wish you the very best as you embark on your next learning journey in high school. We know you will make lots of new friends, make the most of your opportunities and be successful in your future learning journey.

Our student leaders for 2021 have been elected and were announced at our Stage 3 Presentation Day last week. Congratulations to our leaders for next year:

Captains	Scarlett	Jonathan
Prefects	Mahlie Gabriel	Madeleine Edric

The Kindergarten Graduation ceremony today was attended by their teachers, the Assistant Principal Ms Best and myself. They have developed so much over the past year and gained in their learning confidence. Students were given a photo of themselves with their teachers holding their graduation certificate as a memento.

I wish all of our students and their families a wonderful holiday season and a safe, restful break.

Nicole Mayhew
Principal

HOUSE CAPTAINS & VICE CAPTAINS

Congratulations to our house captains and vice captains for 2021. These students will lead our students at the swimming carnival and other sporting events next year.

CHANGE OF CIRCUMSTANCES

If your circumstances have recently changed and your child/ren will NOT be returning to Pagewood PS next year can you please email the school pagewood-p.school@det.nsw.edu.au

PAGEWOOD PS DEBATING CHALLENGE WORKSHOP

Debating is an extracurricular activity offered by some Department of Education schools across NSW. It develops the 21st Century learning skills of collaboration, critical thinking, communication and creativity. These skills prepare students to successfully navigate the future of their ever-changing world. Pagewood PS entered the Premier's Debating Challenge for Year 5 and 6 students for the first time in 2018. This challenge is conducted by The Arts Unit of the NSW Department of Education. Our present Year 6 team came third overall in this knockout competition in the Sydney Region in 2018 and went on to compete in the 2019 state final as the overall winners of the Sydney Region. They should be extremely proud of their achievements as a team newly involved in debating. During 2020 the competition was considerably interrupted by COVID as all The Arts Unit competitions were. One aspect of the competition includes a visit from the department's most senior adjudicators and coaches to conduct workshops in local areas covering all things students need to know in primary debating including rebuttal, arguments, definitions and speakers' roles. In addition, the students play a few relevant games and activities and have the opportunity to give a short debating speech and get some feedback.

The staff at Pagewood PS organised a similar workshop on Monday 30 November 2020 for the entire day to replace The Arts Unit workshops. Year 4 and 5 students that show capable communication and collaboration skills and potential for debating were selected to attend. Our Year 6 debaters participated on the day as group leaders to mentor and coach the younger students. Congratulations to all our students who attended the day and contributed to our successful learning experience.

CANTEEN

The canteen will be taking its last orders for 2020 this Wednesday and re-opening on the first day Friday 29 January 2021. We'd like to take this opportunity to thank the Pagewood Road Public School Community for all of your support this very challenging year.

We are happy to announce that we will be offering our full menu in 2021, and extending our days of service to four days, Tuesday through to Friday. Please note, the cut off time for online orders will be **8.30am** in the New Year, this is to assist our staff to ensure orders are prepared on time for your children.

We'd like to wish you all a safe and prosperous festive season, and most enjoyable summer break.

Stay safe.

From all of us at Anthony Catering

SWIMMING CARNIVAL 2021

The Pagewood Public School Swimming Carnival for students turning 8+ in 2021 is set to go ahead at the beginning of next year on Monday, February 1st 2021.

Although organisation has taken place, the continuation and format of this event is pending with consideration of changes to Covid-19 regulations that may come into place over the summer holidays. This includes consideration of parent attendees to the swimming carnival. Additional information regarding the running of the carnival will be sent out to the community at a later date, when up-to-date regulations regarding the 2021 school year are provided.

A packet of information was sent home last week with your child. This packet includes a permission note, medical form and swimming competency form. In line with the 2021 school calendar, Monday, February 1st will be the second day of school for students.

To ensure a smooth running of the carnival, **all three of the mentioned notes must be returned to your child's current classroom teacher before this Wednesday.**

Thank you.

Miss Erica Grisanti

Swimming Carnival Coordinator

2021 STUDENT TEXTBOOK ORDERS

Student textbook packs for 2021 are now available to order **online direct through LJ Harper** until Friday 29 January 2021. Please do NOT pay via the school payments system (POP).
