PRINCIPAL'S NEWS

I hope you all enjoyed the long weekend and the glorious outdoors, we were so lucky with the weather. Teachers are working hard with each and every student to assess their current level and how they can move forward in their learning. Please take the time to complete and return the survey about your child's learning from home time as this will form the basis of the telephone parent teacher interviews in Week 9 and 10. Bookings opened this morning.

I am looking forward to talking with teachers about the progress students have made at home and school. Our student reports will look different this semester. They will include assessment criteria for English and mathematics and 'Where to next' statements that identify future directions for your child's learning. There will be a generic comment for all other Key Learning Areas and a student specific general comment. Attendance, social development and commitment to learning will be addressed.

Thank you for your continued cooperation at drop off and pick up times. Our organisation is designed to minimise parent/carer movement throughout the school in order to keep our staff safe and well as well as our parent and carer community. Please remember to keep your child at home if they are unwell. If your child is coughing they should not be at school.

A big thank you to our school cleaner, Anjna. She has taken on extra hours of work to provide the enhanced cleaning the school currently requires. Anjna takes a lot of pride in her work and we are so fortunate to have her as part of the Pagewood PS team. Thanks Anjna!

At the beginning of this year I indicated through the school newsletter that 1H would have Mr Sam Harrison teaching them for Term 1-3, then Mrs Kristyn Arthur for Term 4. I am writing to let you know about a staffing change that will occur from next term.

Some of you would know that Mrs Rhonda Thomson has continued this year in the role as Relieving Deputy Principal – Instructional Leader at Mascot Public School whilst holding her substantive classroom teacher position here at Pagewood. Unexpectedly, the role Ms Thomson is relieving in will cease at the end of Term 2 and she will return to teach at Pagewood Public School. In order to maintain continuity of learning, Ms Thomson will begin teaching 1H from the beginning of Term 3 for the remainder of the year. Mr Harrison has done a marvellous job teaching 1H and Mrs Arthur was looking forward to returning to Pagewood Public School in Term 4. I would like to take this opportunity to thank Mr Harrison for all of his work in our school this year. We hope to see Mr Harrison and Mrs Arthur teaching at Pagewood in another capacity soon.

The P&C will be holding a virtual meeting tonight. This has been ratified by the P&C Association of NSW. Information about how to join the meeting are below. Please join us from your home! Note meeting details are as per below and this will be a video call.

CHANGES TO SCHOOL SPORT

The ESPSSA executive committee have made the decision to extend the cancellation of PSSA sport for the remainder of Term 2 and all of Term 3. Unfortunately, this means that PSSA Soccer and Netball will not be going ahead for the 2020 school year. The continuation of Summer PSSA sport in Term 4 will be revisited closer to that time period. Along these lines, we have made the decision to cancel our school Athletics carnival, which was to be held at the end of this term, in light of the fact that the Zone Athletics Carnival will not be taking place.

To counter this, the teachers at Pagewood Public School have decided to hold our own 'Olympics' day at the end of Term 3 to bring some sporting fun back into our school. This day will be for students from Kindergarten to Year 6, and will consist of a range of fun and inventive relay-style activities. More information regarding this will be released in Term 3. Thank you for your understanding during these ever-changing times.

OPPORTUNITY CLASS INFORMATION (YEAR 5 IN 2021)

The 2021 Year 5 opportunity class placement process was put on hold in April 2020 due to the COVID-19 situation. We now have a revised and simplified timeline for the OC placement process to ensure that students and families can have certainty about their placement as soon as possible. The changes include:

- A new date for online applications. Parents must apply between **9 June 2020 and 26 June 2020**. Late applications cannot be accepted.
- A new test date - Wednesday **16 September 2020**.

To ensure fair and consistent assessment of students across New South Wales, students will be offered places based only on their test results this year – there will be no school assessment scores. There will also be no opportunity for appeals given the tight timeframes.

For further detailed information you are encouraged to visit (<https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-5>)

Please contact your child's class teacher or Mrs Sutherland for further information. Please return the form sent home last week whether you intend for your child to sit the test or not.

CANTEEN

Please note the canteen will be open on Wednesday, Thursday and Friday this week. A 'Lite' menu is at the end of the newsletter. We would prefer online orders, however cash will be accepted.

WINTER UNIFORM/UNIFORM SHOP

The uniform shop will be closed temporarily for "face-to face" sales however orders will still be filled weekly, on Wednesday mornings.

Order forms must be used for all purchases and can be located here: <https://pagewood-p.schools.nsw.gov.au/supporting-our-students/parents--carers-and-the-community/uniform-shop.html>

Please leave order forms at the office or email directly to the uniform shop ppsuniform@hotmail.com You can also email the uniform shop if you require a uniform fitting or have a second hand item enquiry. Note that exchanges (in original packaging without tags removed) can be left at the office with clear exchange instructions.
