PRINCIPAL'S NEWS

I hope our dads and male family members enjoyed a lovely Father's Day yesterday. A huge thank you to our Pagewood P&C for their generous donation to the school that allowed us to purchase resources to make some great gifts for you. Traditionally the P&C runs a Mother's Day and Father's Day stall here at school for the children to purchase a small gift. As we were not able to do that this year the P&C kindly donated money that allowed class teachers to get their students to make them instead. Thank you!

The public speaking finals competition were held last week via Zoom proving just how invaluable technology is in our current climate. Congratulations and well done to our finalists on their amazing efforts with their prepared and impromptu speeches.

WELLBEING WEEK

This is Wellbeing Week and a time to remember to look after ourselves and each other.

STUDENT WELLBEING FRAMEWORK

The Australian Student Wellbeing Framework supports schools to give every student a strong foundation so that they can reach their aspirations in learning and in life. The Framework is based on evidence of the strong link between safety, wellbeing and learning. The Framework supports Australian schools to be learning communities that promote student wellbeing, safety and positive relationships so that students can reach their full potential.

Wellbeing is a multi-faceted concept involving much more than just physical health. It's a combination of a person's emotional, mental and social health and it also reflects how they feel about themselves and their life in general. Wellbeing is linked to improved academic achievement, enhanced mental health and responsible life choices. Helping students to feel connected and engaged in their learning, and collaborating effectively with parents, will enable students to develop the social and emotional skills to grow into happy, respectful, well-balanced and successful members of their school and wider community.

Parents can find more information and tips at the Student Wellbeing Hub at <https://studentwellbeinghub.edu.au/>

STUDENT TOILETS

The new student toilets are almost complete. Concrete was poured surrounding the block over the weekend. This week a final clean and tidy up will be made in readiness for inspection by the Assets team and myself. If all goes to plan the new student toilets will be open next term. Installation of the additional demountable classroom has been approved, however, is waiting on the completion of the new toilets and removal of an old toilet block. I will keep you updated.

A reminder that our virtual P&C meeting is tonight at 7.00pm. Have a great week everyone.

Nicole Mayhew
Principal

WELLBEING WEEK

Wellbeing week homework has been given out in place of our usual homework this week. There are a range of activities that promote mental health and spending quality family time together. This term we have also included a worksheet for the Australian Wildlife Society annual colouring in competition, as an option for mindful colouring. Information regarding submissions can be found on their website: <https://www.aws.org.au/national-colouring-in-competition/>

The staff at Pagewood Public School hope that everyone has a wonderful week focused on wellbeing!

SCHOOL PHOTOS - PLEASE GET YOUR PAYMENT ENVELOPES READY

School photos will be taken next Monday 14 September. Please have a look for the original order form that was sent home in Term 1. We understand not everyone will be able to find it, so new blank order forms are available from the office if needed. The form in this newsletter can also be used to either pay online with the generic online ordering code (Purple code starting with X), or you can attach this to a blank envelope to pay by cash on the day. You will need to pay online **direct to The School Photographer** before photo day and your child to bring the completed

Email: pagewood-p.school@det.nsw.edu.au

payment envelope or bring the form with cash in an envelope to school on Monday 14 September. **Please DO NOT pay via the school payments system.** Students should wear full school winter uniform. This includes fully black shoes, navy socks or stockings.

If you would like a sibling photo please ask your child to collect an order form from the office, complete and return it on Monday.

MINDFULNESS

Recently, Mrs Thomson and Mrs Sutherland completed their training as Smiling Mind Champions. Research shows that a whole school approach leads to more positive student outcomes such as optimism (for teachers and students), social-emotional competence and reduced anxiety for students and teachers. Last week Mrs Sutherland started delivering mindfulness lessons to all classes Years 3-6 and the students loved trying to focus their thoughts. Mindfulness is something that takes a lot of practise. We encourage you to download the free Smiling Mind app on a device at home, or visit www.smilingmind.com.au and set up a free account.

UNIFORM SHOP – ONLINE DIRECT

Now is a good time to order summer uniforms online for Term 4. The uniform shop is closed for “face to face” sales however online orders will still be filled fortnightly on Wednesday mornings.

Order forms must be used for all purchases and emailed directly to ppsuniform@hotmail.com

Order forms can be located here: <https://pagewood-p.schools.nsw.gov.au/supporting-our-students/parents--carers-and-the-community/uniform-shop.html>

SCHOOL SYSTEMS IN PLACE TO KEEP US SAFE

In accordance with advice from NSW Health, parents and carers are reminded **NOT** to send children to school with symptoms of COVID-19 (fever, cough, sore throat, shortness of breath, loss of taste and loss of smell), even mild symptoms. Schools will make arrangements for students who present with COVID-19 symptoms to be sent home.

NSW Health have requested that schools encourage anyone who is unwell or has even mild flu-like symptoms, to arrange to be tested through their local medical practitioner or one of the COVID-19 clinics.

Students and staff with flu like symptoms will need to provide a copy of a negative COVID-19 test result and be well before being permitted to return to school. This must be emailed to the school email address at pagewood-p.school@det.nsw.edu.au with the class noted before 9:00am on the day the student is returning to school. Please do not send it to the teacher as Ms Mayhew must sight the message.
