This is Wellbeing Week and a time to remember to look after ourselves and each other. It has long been acknowledged that wellbeing is more than the absence of physical or psychological illness. In very broad terms, wellbeing can be described as the quality of a person’s life. Schools, in committing to and enabling individual and collective wellbeing of children, importantly provide for the growth and holistic development of students and their success in school and beyond. Our school has a planned approach to wellbeing in place that incorporates the elements of the Wellbeing Framework. Please see more information on page 2.

This week is also Kindergarten 2022 Orientation. It was wonderful to welcome our new Kindergarten students and parents on site today. We look forward to meeting more new students and parents tomorrow and Wednesday.

2022 Prefect nominees

This Wednesday will be our last school assembly where awards will be given out. Students in Year 5 who nominated themselves as student leaders for 2022 have had the opportunity to present their speeches followed by student and staff voting. The prefects will be announced at assembly this Wednesday. School Captains and House Captains will be announced at Presentation Day. We are so proud of all of these students for having the confidence to nominate themselves and for the effort they put into their speeches and posters. 'Having a go' helps children strive to reach their goals. Not only will they learn by taking action, they will increase their confidence, creativity and flexibility. Well done to you all!

Presentation Day will be held on Wednesday 8 December. There will be a K-2 and 3-6 presentation. Parents will be able to join us via Zoom. Emails have already been sent to the parents/carers of award winners. All parents and carers will be sent the link for the Zoom Presentation Days. We hope you can join us!

The Pagewood Public School P&C are organising the Bunnings BBQ on Sunday 12 December. Information about how you can help is further on in the newsletter. Hope to see you there!

WELLBEING WEEK

Wellbeing week homework has been given out in place of our usual homework this week. There are a range of activities that promote mental health and spending quality family time together.

THE WELLBEING FRAMEWORK FOR SCHOOLS

The DEC commitment to wellbeing is for our schools to support students to connect, succeed and thrive at each stage of their development and learning.

We are holding Wellbeing Week in Week 9 this term. Attached is the Wellbeing Week homework to replace all other normal homework. There are many students who are finding the transition back to school difficult at the moment. Wellbeing week is a great opportunity for us to take some time to revisit our Smiling Mind programming, think about mindfulness, gratitude and other Bounce Back or socialisation strategies with our classes. There are some really knowledgeable staff at our school with a great skillset in student wellbeing. If you would like any ideas of what you can do at home please check out the Smiling Mind website.

FRESH EGGS AND CONCRETE

Could you drop a fresh egg onto concrete without it cracking?

Pagewood students have designed and made parachutes to safely land fresh eggs onto concrete. They dropped them from a height and were able to land the fresh eggs without cracks! Congratulations to our budding scientists! Mrs Chrysostomou

PRESENTATION DAY

Information regarding this year's Presentation Day has been emailed to families of the award recipients. Unfortunately, due to COVID-19 restrictions, parents are unable to attend and we will therefore hold the assembly via zoom. 2022 SWIMMING CARNIVAL

The Pagewood Public School Swimming Carnival for students turning 8+ years of age in 2022 is set to go ahead at the beginning of next year on Monday 7 February 2022. Although organisation has taken place, the continuation and format of this event is pending with consideration of changes to COVID-19 regulations that may come into place over the summer holidays. This includes consideration of parent attendees to the swimming carnival. Additional information regarding the running of the carnival will be sent out to the community at a later date, when up-to-date regulations regarding the 2022 school year are provided.

A packet of information has been sent home with your child. This packet includes a permission note, medical form and swimming competency form.

To ensure a smooth running of the carnival, all three of the mentioned notes must be returned to your child's current classroom teacher **by Monday 6 December**. These notes are included at the end of this newsletter.

Thank you.

Miss Erica Grisanti

Swimming Carnival Coordinator

Stepping into summer, now we can meet safely again, we are excited for the annual fund-raising BBQ for the school, a perfect antidote to a tumble year!

WHY SHOULD I LEARN A MUSICAL INSTRUMENT?

A GUIDE FOR FAMILIES

**DIRECTIONS
IN **music****
Inspire. Create. Perform.

"HOW CAN MUSIC HELP MY CHILD?"

Music creates confident, clever and engaged kids

Learning a musical instrument sparks new pathways in our brains, which leads to stronger executive functioning, not to mention greater literacy and numeracy skills too! Playing an instrument can be a wonderful way for kids to express themselves, and of course leads to an increase in confidence and self esteem too!

Music makes young people great!

Music provides the best start for EVERY child, wherever life takes them. Our young student musicians are our future doctors, scientists, teachers, artists, musicians and more & we know that their musical learning provides the strongest foundation possible for their future success.

The DIM approach works

All DIM students learn as part of an ensemble. You'll attend 2 face-to-face sessions every week. One in a large group to hone your ensemble skills, and the other to learn the finer details of how to play your instrument. Learning with your friends is fun and exciting and can provide that extra motivation to help keep your progress on track.

DIM cares about our young musicians

DIM has been established for over 15 years as a highly regarded provider of instrumental programs in Sydney schools. Our vibrant network of teachers, tutors and musicians bring out the best in every child. We know that starting out on an instrument is a big step for your whole family, and we value the investment of time, energy and money you're making.

We're here to help

We're proud to employ a team of expert Program Managers dedicated to supporting our students, parents and schools. Give our office a call and our awesome team will help you find all the right answers!

"IT SOUNDS LIKE FUN, BUT ISN'T IT HARD WORK?"

What if my child doesn't like it?

Learning an instrument is tricky and it can take a little while to get the hang of it. While it can be hard at the beginning, we encourage all of our students to stick with it and complete their first year in full. There is no instant gratification when it comes to learning music - stick with it, and you'll be rewarded!

I don't want to buy an expensive instrument. Can we hire one?

You'll need an instrument to bring to school for lessons and rehearsals, and you'll also need it to practise with at home. It's super important to have a good quality instrument especially when you're starting out. You can provide your own, or purchase one from DIM - we also offer hire of all woodwind and brass instruments

Is more really better when it comes to music?

The more you play, the better you get! You'll attend 2 sessions with a teacher each week, and you should play your instrument at home too - start out with just 10-15 minutes each day, 3-5 days each week. Playing for someone at home is a great motivation - family, friends, pets, even toys can all make great audience members and provide awesome motivation too!

What about membership fees?

You'll find all the details of your school's fees on the DIM website. Termly payments are due prior to the start of each school term.
