Can you help the P&C with planning and organising our Art Show ?

Welcome to our last week of Term 3! I hope you were able to stay cool over the hot weekend. Let's hope the fine weather is here for the upcoming school holidays. I would like to thank all of our staff for their dedication and commitment to our school and its students. It has been a busy and rewarding term with so much learning in and outside of our classrooms.

Congratulations to our senior dancers who performed at the State Dance Festival last week. You were all amazing amongst other fabulous performances from public primary and high schools from all over NSW. Thank you Mrs Chrysostomou for your choreography and hard work.

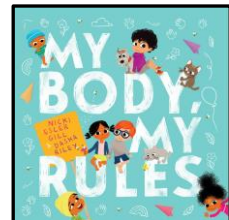

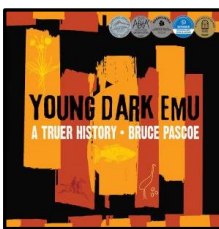

Years 3-6 had a fantastic day at the new Rabbitohs Centre of Excellence at Heffron last week as well. Thanks to Mrs Sinkovic for organising the day. Our senior band performed at assembly last Wednesday to showcase their talent and encourage our Year 2 students to join the band. They sounded amazing! Congratulations to our school representatives at the Botany Bay Public Speaking Competition, you represented our school very well. Thanks to Miss Ou for her organisation. Our choir will perform at the Sydney Opera House this Wednesday evening, I can't wait! Thanks to Miss Smith for teaching the students the songs and working with the other schools in preparation for the performance.

A reminder that students return in full summer uniform in Term 4. Tomorrow is the last uniform shop open day to purchase your summer uniforms before the end of term.

If you require vacation care for your child/ren, please book directly with Star Club.

The P&C are hosting a cake, savoury and drink stall at school for the Referendum on Saturday 14th October. For details of how you can contribute by baking, helping on the stall or donating supplies, see the information later in the newsletter.

Next term promises to be another action packed one of learning, events and fabulous community events. This term I enjoyed reading K-2 students the book 'My Body, My Rules' by Nicki Esler Gill and Dasha Riley. Year 3-6 students enjoyed excerpts from 'Young Dark Emu – A Truer History' by Bruce Pascoe.

I wish our students, staff and families a happy and safe spring break.

Principal

SOUTHS CARES EXCURSION

Last Wednesday 13th September, students in Years 3-6 participated in an excursion to the newly built Rabbitohs Centre of Excellence. The day was facilitated by Souths Cares and included two presentations on 'Tackling Bullying' and 'Mental Health - Wellbeing'. Students sat in the media room where the Rabbitohs players have their team talks to learn and discuss some key messages on the two topics. Students then ate their recess in the courtyard while watching Rabbitohs players Jai Arrow and Cameron Murray train! Getting Jai's autograph was the highlight of many students' day. Students then participated in some ball handling relays and had some free time to practice their passing and goal kicking on the field where the Rabbitohs players train. I hope all students enjoyed the experience and were able to learn some valuable messages on bullying and how to take care of their own mental wellbeing.

The ESPSSA Zone Athletics Carnival was held on Friday 8th September at ES Marks Athletics Track. We had 43 students participating in various events. Well done to all students for representing our school with pride, and displaying respectful behaviour throughout the day. Thank you to the parents and supporters who came along to cheer their children along on the day. Please see below for the students who placed in the top 4 for their events - an amazing achievement!

TELL THEM FROM ME SURVEY

This term, our school is taking part in the *Tell Them From Me* student survey. The survey will provide us with valuable feedback on what our students think about school life, how engaged they are with school and the different ways that teachers interact with them.

The survey is run by an independent research company, The Learning Bar, which specialises in school-based surveys. This survey is **confidential**, and staff in schools will **not** be able to identify individual students from their responses.

To ensure confidentiality, participating students will receive a unique username and password. Information is only reported where five or more students answer a question.

The survey is online, takes approximately 30 minutes, and will take place at school during school hours. We will receive a report on our school's survey results shortly after our students complete the survey.

Participating in the survey is **voluntary**. If any survey questions make your child uncomfortable, your child can skip the question or can choose to stop the survey at any time.

If you **do not want your child/children to take part** in the survey, please email your child's classroom teacher or the school email address to let us know by Friday 15th September.

More information about the survey and the research is available in English at education.nsw.gov.au/ttfm
