We are in the last week of Term 1. Our cross country was held today. All students who are turning 8 years in 2025 were able to compete. Students younger than 8 years of age participated in a Fun Run. It was great to see so many parents and carers attend the event and encourage our students who participated in their house colours, some of our parents were even in house colours! Thank you to Mrs Sinkovic for planning and organising the day. The war cries were fantastic, well done everyone!

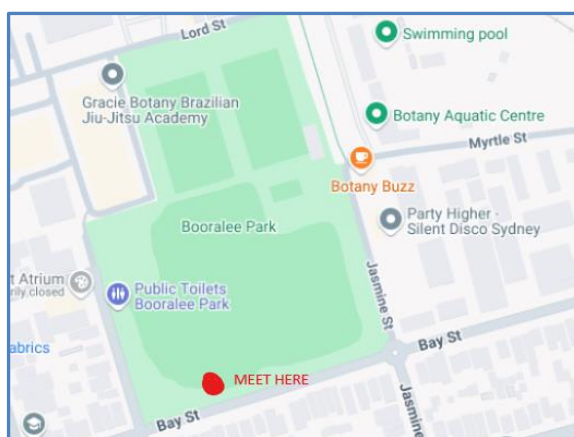

A reminder that parent/teacher/student interviews will continue this week. It has been a valuable opportunity for our families who have already met to share in their child's learning journey and speak with their teacher.

Our P&C would like to thank our students and families for their generous easter donations. These donations will be used to create the prizes for the Easter raffle drawn at our Easter Hat Parade tomorrow.

ANZAC Day Dawn Service at Booralee Park, Botany – a message from Harriette

Hi, I'm Harriette from 5/6 Banksia and on 25 April from 6:00am-8:00am I will be representing Pagewood Public School at the ANZAC Day Dawn Service at Booralee Park, Botany. I would like to invite other students to attend with me. Parents and carers will need to remain at the service. Ms Mayhew will also be in attendance. All students and their families are welcome to come, students should wear full school uniform. The school will present a wreath. Please meet me at the place indicated below at 5:45am on the morning. Hope to see you there!

This week

Our Pagewood PS ANZAC Service will be held on the last day of school Friday 11 April in our school hall. All families are welcome to attend. Thank you to 4/5 Waratah and Mrs Chrysostomou for organising and presenting our ceremony.

We have been advised the three demountable classrooms will be removed from the school as we have sufficient permanent classrooms for our student numbers. From Term 2 the end classroom will be the music room. Band lessons will continue in the current demountable classroom until it is removed. I have asked for the sites to be remediated with asphalt/ grass where applicable.

The PPS P&C meeting will be held tonight. I will give a short presentation of our recently developed School Excellence Plan as well as about the new student reports we will introduce this year in response to recently released updated guidelines from the NSW Department of Education. If you are not able to attend the meeting tonight, there will be further info in the newsletter first week back next term. Please get in touch if you have any questions.

Our Junior and senior band will be performing at 8.00am tomorrow morning in the playground followed by our Easter Hat Parade at 9.30am. The P&C will be drawing their Easter Raffle during the parade. I look forward to seeing the wonderful easter hat creations. Please ensure students go to class at 9.15am. I hope you can join us for a fun and entertaining morning. Thanks to Mrs Hawkes for all of her organisation for the day.

Fun Day led by Stage 3 students will be held on Wednesday afternoon, it should be lots of fun with the students planning and organising the stalls! All students have the opportunity to participate in this event. It is recommended students bring approximately \$10-\$15 in coins (if possible) if they wish to participate. Activities will range from \$1 - \$5.

I hope everyone has a restful holiday break with family and friends and look forward to seeing you in Term 2.

Principal

BAND NEWS

We are pleased to invite families and carers to our upcoming morning performance. All of our band members have made such great progress already this term, and are excited to share their music with everyone.

Our Junior Band have achieved so much in the short time that they've been rehearsing together. Learning to play an instrument is a real challenge, especially at the very beginning, and our Open Morning is the perfect opportunity for our beginner students to share their journey in an informal setting.

Group Size & Ratio

Expected number of children is 60-120, with 6-12 staff members. Star Club's guideline is a 1:14 educator to child ratio, which can vary from 1:12 to 1:18 for excursions. For precise numbers, check the excursion information and roster on display.

Safety, supervision, transport & risk assessments

Star Club has strict safety and supervision policies, available for viewing onsite or upon request. Children are encouraged to work with educators to follow these safety guidelines. Risk assessments for all incursions and excursions, including transport, are also available onsite or upon request.

Money/belongings

Please refrain from bringing money, electronic devices, bikes, or scooters to vacation care, unless they are explicitly included in the program. Please note that Star Club and its staff cannot be held responsible for any personal belongings if children decide to bring them to the service.
